

ISA Automation Expo & Conference

April 25 & 26, 2018

Edmonton Expo Centre (Halls F & G)

The International Society of Automation (ISA) Edmonton Section Automation Expo & Conference (AEC) is the place-to-be for everything automation!

Visit us at Booth 1031

At our booth we will feature live demonstrations of the following:

- Inventory management and tank gauging
- Heartbeat Technology and onboard diagnostics
- Level and analytical instrumentation
- Digital tools and services to help you make the most of your Endress+Hauser equipment
